Black Cat Readers

BLACK CAT publishes reading materials for learners of different ages, needs and interests, from school children to business people.

Black Cat readers contain stimulating activities and dossiers, explore links with other subject areas and use internet projects to increase students' knowledge. **Stunning artwork, dramatised recordings** and **CD-ROMs** help to create educational and entertaining reading material.

EXPANSIVE READING

Dear Teacher,

Intensive and extensive reading have been the two major approaches to reading for a long time. But Black Cat readers use an exciting new approach which we call **EXPANSIVE READING**.

Expansive reading goes beyond the text to expand learning in many directions. Apart from activities which check comprehension, and provide practice in the four skills, structures and vocabulary building, Black Cat readers offer:

- **Beautiful illustrations** and **dramatised recordings**, which aid understanding of the text and create a stimulus to read.
- Detailed explanations of the **cultural background** of the text.
- **Cultural comparisons** and analysis of **film versions**.
- **Cross-curricular links**, reflecting the value now given to Content and Language Integrated Learning (CLIL).
- **Projects on the web** exploiting the Internet's resources to the full.
- **Exam-style activities** to help prepare students for international language qualifications.
- **Audio CD-ROMs** for selected titles which ensure entertaining learning.

Earlyreads

“Striking artwork and pleasant stories interspersed with activity pages”

David R. Hill, in *Survey Review of Graded Readers in English*.

The **EARLYREADS** series is aimed at children from seven to twelve years of age and contains original stories and traditional favourites, as well as some cultural readers, graded over five levels. All the readers can be easily dramatised. The majority are accompanied by **playscripts** which can be downloaded free from our website.

Features:

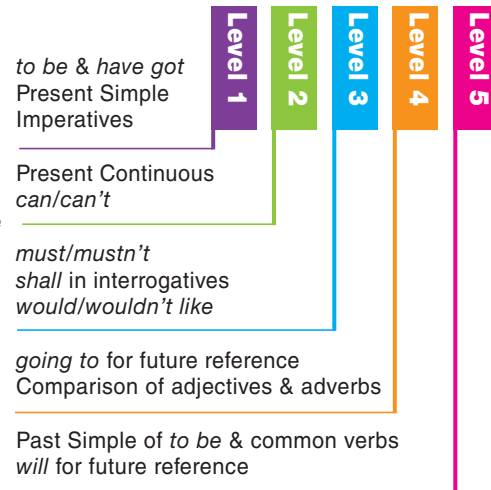

- **Beautiful illustrations**, to encourage reading and actively help children to understand the story.
- **Picture dictionaries**, for active vocabulary work.
- **Fun activities and games**, often for more than one participant, which practise vocabulary and grammar structures used in the story.
- A **recording** of the whole text, either on an accompanying CD or downloadable for free from our website www.blackcat.vicensvives.net

Grading of Earlyreads

Earlyreads are graded according to their subject matter and by structural and lexical criteria.

The chart below shows the major structures used at each level. Level 5 represents a good elementary ability (full competence at level A1 of the Common European Framework of Reference).

For a complete explanation of the grading criteria used, see *The Black Cat Guide to Graded Readers*.

Green Apple

"Green Apple books are beautiful, full of activities and have fascinating dossiers: perfect for my lessons!"

Eylem Coklu, Teacher, Turkey

GREEN APPLE is a series of lavishly illustrated graded readers especially designed for young teenagers. Many of the readers are **adaptations of classic stories**, but there are also some **original stories** and **non-fiction readers**.

The readers are graded into three levels – **Starter, Step 1** and **Step 2** – according to structural and lexical criteria, as well as the suitability of the subject matter for the different age groups. The lexis contained in the readers is checked against the vocabulary lists specified for the Cambridge ESOL exams; Flyers and KET for the readers at Starter and Step 1 levels and PRELIMINARY for those at Step 2.

Features:

- **Introduction** about the author and his/her times.
- Wide variety of **interesting activities** to help understand the text, and to provide practice in all four language skills and lexis.
- Activities in the style of the **Cambridge ESOL** and **Trinity exams**.
- **Cross-curricular dossiers**.
- A **recording** on CD of the text in British or American English, with extra listening activities.
- Extensive **vocabulary footnotes**, often illustrated.
- Guided **Internet projects**.
- **Free downloadable answer key** with **exit test** on our website.

Some titles contain extra features, which are indicated on the back cover of the titles in question:

- **Playscript** at the back of the book.
- **Audio CD/CD-ROM** containing extra interactive language and cross-cultural activities.

Reading & Training

“Spectacular productions with excellent background materials”

David R. Hill,
in *Survey Review of Graded Readers in English*.

The **READING & TRAINING** series consists of beautifully illustrated graded readers, aimed at teenagers and adults. The majority of the books are **adapted classics**, but there are also some **original stories** – especially at lower levels – and the occasional **non-fiction** reader. The readers are graded into **six levels** according to internationally recognised criteria for structural grading.

READING SHAKESPEARE is a series dedicated to the works of Shakespeare. These readers may also contain activities related to staging the plays.

Features:

- **Introduction** about the author and his/her times.
- Wide variety of **motivating activities**.
- Activities in the style of the **Cambridge ESOL and Trinity exams**.
- Fascinating **cross-curricular dossiers**, which explore the historical and cultural background of the text.
- A CD recording of the text in British and/or American English, with extra listening activities.
- Extensive **vocabulary footnotes**.
- **Exit tests**.
- Guided **Internet projects**.
- **Answer key and exit test downloadable free** from our website:
www.blackcat.vicensvives.net

Some titles contain extra features, which are indicated on the front and/or back cover of the titles in question:

- **Audio CD/CD-ROM** containing extra interactive language and culture activities.

Reading & Training Discovery

Reading & Training Discovery

Reading & Training Discovery is a series of **factual** readers. It is designed for teenagers, young adults and adults who, through reading about subjects of interest, can improve their English and broaden their knowledge at the same time. The series covers a range of interesting subject matter, from famous people to places such as cities, countries and natural wonders.

These readers use Black Cat's **expansive reading** approach. The dossiers, activities and internet projects enable the reader to expand his/her knowledge and understanding beyond the information provided by the text.

The **Discovery** series is graded grammatically and lexically according to the levels in the Reading & Training series and for 2014 there are titles available at Steps One to Three.

Level	Common European Framework of Reference	University of Cambridge ESOL Examinations	Trinity Level
Step One	A2 Waystage	Exam level: KET	3, 4
Step Two	B1 Threshold	Exam preparation: PRELIMINARY	4, 5
Step Three	B1 Threshold	Exam level: PRELIMINARY	5, 6

Reading Classics

Reading Classics

This series of **19th-** and **20th-century classics** from the world of British and American literature is edited by Paolo Bertinetti, Dean of the Faculty of Modern Languages at the University of Turin.

READING CLASSICS are **aimed specifically at non-native speakers of English** who wish to improve their language skills by analysing major novels, short stories and plays. Each volume guides the reader towards comprehension and appreciation of the literary work.

Features:

- Extensive **introduction** placing the author and his/her work into context.
- In-depth **bibliography** providing a springboard for further study.
- Detailed **chronology** giving a complete view of the author's life and works.
- Wide **variety of activities** encouraging response to the text and aiding language acquisition.
- Numerous **footnotes** with phonetic transcriptions of some difficult words.
- Dramatised **recording** of selected extracts by native speakers in American or British English.
- **Key to the exercises online.**

Level	Common European Framework of Reference	University of Cambridge ESOL Examinations
Upper intermediate, and above	C1/C2 Effective and Mastery	Exam level: ADVANCED and PROFICIENCY

Easyread

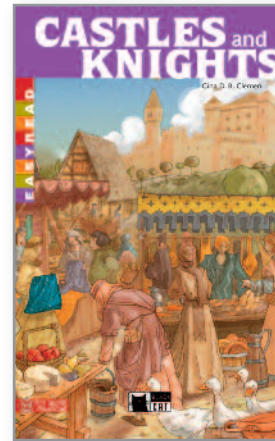

“Lots of interesting information, facts and visuals in a light, handy format. My students ask for more”

Birgit Kammerhofer, Teacher, Austria

The **EASYREAD** series is aimed at young teenagers and above. It offers a range of attractive, full-colour, **nonfiction** graded readers; the subject areas are **art and design, geography, history, ICT, music, religious studies, science** and **social and environmental studies**. Suitable for young people studying English at secondary school, but also interesting subjects for young adult and adult readers with an elementary or early pre-intermediate level of English (levels A1/A2 of the Common European Framework of Reference). Teachers, too, can take advantage of the crosscurricular approach or “Content and Language Integrated Learning (CLIL)”. There are two levels in the **EASYREAD** series, with controlled grammatical structures and lexis: **level 1** uses present tenses only, while **level 2** introduces past tenses. As far as lexis is concerned, apart from some special vocabulary required by the reader topic, the maximum number of headwords used at level 1 is **300 words**, increasing to **400 words** at level 2.

Features:

- Controlled grammatical structures and lexis divided into **two levels**.
- **KET** Key English Test-Style activities.
- Topic-specific **illustrated glossary** for easy reference.
- **Visual support** - specially commissioned artwork, photographs and period illustrations to aid comprehension of the text.
- Manageable length (24/32 pages) makes them ideal for **extensive reading**.
- **Internet projects** to encourage further research.
- **Free downloadable** recording of the whole text and **answer key** on our website.
- **Exit test**.

THE ADVENTURES OF ROBBIE THE ROBIN

A series of Books that aims to make reading fun

V&V books

THE ADVENTURES OF ROBBIE THE ROBIN is a collection of 15 books aimed at children aged 8 to 12 years who have a good level of English (A2/B1).

These beautifully illustrated stories, all come with vocabulary footnotes and activities for before, during and after reading, as well as a downloadable audio version.

Through reading the stories, children are taught educational values, such as helping others or looking after the environment, which are promoted in the stories.

Additional activities in the book include:

- An **Educational Value** activity to consolidate children's awareness of the value(s) represented in the story.
- A **Picture Dictionary** to reinforce key vocabulary in the book.
- **Fun Games** to provide children with an even greater fun learning experience.
- A **Fact File** activity to expand on children's knowledge of the topic(s) covered in the book.

Features:

- 1000 to 1400 headwords per book.
- Free dramatised recording of the text - downloadable from our website.
- The habits and habitats of the animals in the stories are drawn from nature, therefore there is something to be learnt from each story.
- Beautiful illustrations to aid comprehension.
- Extensive vocabulary footnotes.
- Wide variety of interesting activities at the back of each book.
- Emphasis placed on **educational values**.
- Answer key - downloadable from our website

The author

Susan J. Roberts is a British-born writer, poet and former ELT professional. She has been writing short stories and poetry since she was in her teens, some of which have been published in anthologies and magazines in the UK. Her latest work is this collection of children's books, "THE ADVENTURES OF ROBBIE THE ROBIN". Her love of birds and other animals began when she was a child living in a village in the south of England. Her fondness for birds, especially robins, inspired her to write this collection of books for children to enjoy.
